

The Virtues Pick

(Using Virtues Cards)

- ❖ Each person randomly pick a card.

- ❖ Share something about yourself and **YOUR LIFE** at this time.

- ❖ Read your virtue aloud and share how it **SPEAKS** to you today

- ❖ Others are to companion/listen in **SILENCE** with no cross talk

- ❖ When the speaker finishes the others give that person a **VIRTUES ACKNOWLEDGMENT** (Acknowledgment = Virtue + how you see it)

Continue until all have shared, read their cards and been acknowledged.
